RE: Piedmont Natural Gas Company, Inc.
Notice of New Natural Gas Construction Project
Docket No. 2012-278-G

Dear Ms. Boyd:

Piedmont Natural Gas Company, Inc. ("Piedmont" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") "[o]f any construction projects resulting in a cost of \$500,000 or more." See 26 S.C. Code Ann. Reg. 103-412.2.7. In compliance with Commission regulation, this letter serves as notification to the Commission that Piedmont plans to install approximately 4,700 ft. of 6" natural gas high pressure distribution pipeline and two regulator / metering stations for two new industrial customers, Toray Industries, Inc. (FP0926470) and TGES America Ltd. (FP0926451) in Moore, SC. These projects will each cost in excess of \$500,000. The new pipeline originates at the corner of SC Highway (SC Hwy) 290 (Moore-Duncan Highway) and Waste Road, and the route will consist of open-cut trenching and bores crossing both undeveloped and developed property and terminate on Toray's property at the custody transfer points at the outlet of each regulator / metering station. Piedmont expects the installation of this pipeline to be completed by July of 2016.

By copy of this letter, Piedmont is also notifying ORS of this construction pursuant to S.C. Code Ann. Reg 103-412.2.7(A).

Please do not hesitate to contact us with any questions.

Sincerely,

Laura Hager
